

## Reflection Questions For Participants in Discernment Retreat

(Sent to you in the letter you received)

**Discerners were given **3 minutes** to share responses to these questions.**

### **Describe your journey of discernment:**

- A. What did you discover that influenced your discernment regarding the call to serve in leadership (e.g., areas of challenge, affirmation, discovery), and what was your experience of the process (e.g., important learnings, working toward interior freedom and clarity, being with other sisters on the same journey)?
  
- B. Share your current “leaning” toward remaining in, or withdrawing from, the process and your primary reason(s) why.
  
- C. In what kind of role, and what kind of competences, do you see yourself bringing to the table as leader?
  
- D. What do you need from your sisters at this Regional Gathering that will aid you in furthering your discernment (e.g., to become more free, informed and clear, more connected with your sisters)?
