

# Surrender Now

Jan Novotka

**Surrender now, surrender here,  
into the song of the Being.**

**Let go of fear, fall into love,  
open your heart to what is.**

**Surrender now, surrender  
here, live as one with all.**

**Let go of fear, fall into love.  
Surrender all that you are,  
surrender all that you are.**

**Surrender now, surrender here,  
into the source of our being.**

**Let go of fear, fall into love.  
Open your hearts to what is.**

**Surrender now, surrender here.  
Live as one with God.**

**Let go of fear fall into love.  
Surrender all that you are,  
Surrender all that you are,  
Surrender all that you are.**
